Letter from the President

As the calendar year ends, Holiday Lake Estates Civic Association begins a new chapter with a slate of new officers elected at our December meeting. These officers will be installed at the beginning of our January meeting and will assume the duties of their various offices at that time. The total membership has not grown although new members have joined. Some members have moved away, some have died. We need new members. We need new activities. Breakfast, Bingo, Thursday Family Dinners, & Tai Chi are on going. Please see the description of Tai Chi below. Our class is every Friday at 10AM. A Happy New Year to all.

Bonnie Bogner, President

Tai Chi Class Explanation

Tai Chi involves a series of low impact, slow motion exercises that you can do on your own or in a group. While there are many different styles, all of them involve relaxed, graceful movements, guided by breath. Tai Chi offers many health benefits through its practice. The Chinese believe it delays aging, increases flexibility & balance, strengthens muscles & tendons and helps with the treatment of many chronic conditions like heart disease, high blood pressure, arthritis, depression, cancer and more.

I teach Dr. Paul Lam forms of Tai Chi. He is an instructor with over 30 years of teaching Tai Chi. He is also a medical doctor based out of Australia. His arthritis form is recognized by the Arthritis Foundation. The styles I teach are Yen & Sun Styles. Please come and see what Tai Chi can do for you.
