July Edition

Letter from the Officers

Hello, Everyone!

First of all, thank you for taking the time to read the newsletter and for being informed on the activities in our community. Some of our goals for the upcoming months are to really foster a strong sense of community, where we respect each other's ideas and communicate in a way that shows it. I know we don't all agree on everything, though I believe it's important for everyone to feel safe in their expression.

That being said, welcome to our community. Please take the time to join the civic association so that your voice can be heard at the general meetings (every 4th Thursday at 7pm) and to help make this a strong community. We greatly appreciate your support and look forward to seeing you at our Barbeque!

Sincerely,
Maxwell, Vice President
