Letter from the Officers

Hello, Everyone!

As we're ramping up community involvement I want to say thank you to everyone who has helped us so far. As you know, this whole community benefits when we put our hands together to get work done around the neighborhood. We are excited about tackling our upcoming projects including; Lot cleanup at the Civic Center, The Second Annual Rummage Sale, Our first chili cookoff, and our other continuing projects. If you want to volunteer then you're always welcome!

Make your interests known at the next community meeting. We've been discussing the possibility of having a community garden in addition to looking for ways to improve the property, such as seeking a donated playground or smaller dog park. We're open to suggestions on how to make this community better! Sincerely,

Maxwell, Vice President
