## September Edition

### Letter from the Officers

Hello again everyone!

Welcome to this Month's issue of What day is it?! I'll be your host, walking you through the ins and outs of the civic center's activities.

We have an outstanding chili cookout coming up with a live performance from Code Red, a local rock band. We also have some of the world's best chili being made for our guests from some of the top chili competitors available.

Additionally, we're looking for volunteers for the cleanup around the civic center. As most of you know there are branches reaching up to 30 feet into the parking lot of the civic center. We'll be chipping the wood and discarding it so as not to spread the seeds. If you don't have the time to come down and help with the work then feel free to donate some cash to fund the project. Everyone has a part to fill and your help is always appreciated.

Lastly, Pancake Breakfasts and Wednesday night bingo are back starting this month. Thanks again for your support!

Sincerely,  
Maxwell, Vice President
