December Edition

A Note from the Officers

We want to thank everyone for a fantastic year and we look forward to the next journey with you!

With the election this month, volunteers are needed to fill the positions. While we have some folks ready to serve, we still need at least one more volunteer to have a person for every position. Members received phone calls in October and follow up emails in November to petition volunteers' interest in running for office. It's not too late--let us know if you have decided to run for office and help serve your community.
