

# HOTLINE

## March Edition

### Purpose

The Holiday Lake Estates Civic Association's mission is to turn strangers into neighbors and neighbors into friends. There is a group of neighbors that volunteer their time to make the HLE Civic Association and Community Center available for everyone to enjoy. We are a non-profit 501(c)(3) organization that relies on volunteers and the generosity of those that contribute and participate in our various events. Our main purpose is to strive to become a great community to call home while arranging community events that provide opportunities to bring together the residents of our great community. All monies raised goes right back into the association to pay for operating costs and continuation of events.

### A Note from the Officers

The Secretary position has reopened and we're looking for someone to fill the spot. Please see an officer after the meeting if you're interested.
