

HOTLINE

April Edition

Purpose

The Holiday Lake Estates Civic Association's mission is to turn strangers into neighbors and neighbors into friends. There is a group of neighbors that volunteer their time to make the HLE Civic Association and Community Center available for everyone to enjoy. We are an organization that relies on volunteers and the generosity of those that contribute and participate in our various events. Our main purpose is to strive to become a great community to call home while arranging community events that provide opportunities to bring together the residents of our great community. All monies raised goes right back into the association to pay for operating costs and continuation of events.

A Note from the Officers

We would like to recognize George H. and Susan C. for their selfless contributions during Christmas and various functions/events. Let us not forget George S. for putting together a community clean-up and taking care of our flag poles.

It is with a heavy heart to announce the passing of a friend and neighbor of the community. Monica Lokay died peacefully Saturday the 17th surrounded by friends and family. Her presence will definitely be missed by members of our association and those that knew her around the neighborhood.
